

New Employee Welcome!

You've probably seen quite a number of new faces around the warehouse and on your jobs! We have several new people who have joined the team.

Bianca Ruffin is our new office administrator and has made a fun and cheerful office space in the hoteling area of the warehouse! She will be coordinating all destages along with scheduling assistants on them and handling any client issues we may have. Please make sure to send her your de-stage photos. She will also be ensuring employee hours, so call her with any Uattend issues or adjustments.

Kasey Crouse is joining the team as a project manager assistant and will be learning the ropes. She comes to us by way of her friend Maura Ward who both also work in the event planning world!

Darius Jones is new on the logistics staff and dad of a young son. He worked at Staples for eight years in their delivery services department. He is an experienced delivery driver and may move to crew lead eventually.

Christian Lewis is a recent high school graduate and taking classes part time at Bowie State. He's a mover and shaker with lots of energy. He has worked at Lazy Boy and Value City Furniture.

A great big welcome to them all!
